The next edition of the International Trade Fair for Fastener and Fixing Technology **FASTENER POLAND®** is upon us. This is the largest purchasing meeting of the fastener industry in Central and Eastern Europe. For 7 years now, the event has been a key forum for exchanging experiences, learning about new products, and building lasting business relations. This year's topics are sure to include environmental issues - CBAM and sustainability, increased quality and perspective requirements, shortened supply chains, technological advances, and rising material prices.

We present our trade fair guide, including:

- plan of the fair
- list of exhibitors
- trade fair programme
- catalogue of exhibitors
- exhibitors' products
- career zone
- culinary guide to Krakow
- practical informations.

This presentation of the trade fair in a nutshell will allow you to plan your time in Krakow. See you at EXPO Krakow!

# CAREER ZONE

---

Are you looking for a job/employee? Direct contact between employers and potential employees at a trade fair offers tangible benefits. To facilitate the establishment of professional relations we organise the **Career Zone** at this year's **FASTENER POLAND®**.

What do you gain by participating in the **Career Zone**?

- free advertisement on the Fair website
- free advertisement in the **Career Zone** during the Fair
- establish direct contact with the employer/candidate immediately during the Fair
- gain insight into current market trends

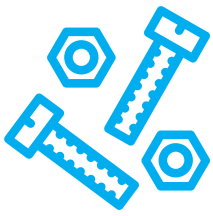

If you are interested, please contact us at [fastener@targi.krakow.pl](mailto:fastener@targi.krakow.pl)

# A TASTE OF KRAKOW

---

Where to go in Krakow for a hearty breakfast and where to have a quick and nutritious lunch? Which restaurant to choose for a business meeting, and which to choose for a regional cuisine? Where to go for an unforgettable dinner, and where to go for a social event?

The answers can be found in a subjective culinary guide written by Kati Płachecka, a culinary journalist from Krakow, in cooperation with our company.
